

### REMARKS

The specification and claims have been amended to recite the term "previous voltage", where appropriate. Support for same is clearly found in Fig. 3 of the drawings, and thus no new matter is added.

No additional fee is believed to be necessitated by the foregoing amendment. However, should this be erroneous, authorization is hereby given to charge Deposit Account No. 502-470 for any underpayment, or credit any overages.

Applicants respectfully request entry of the foregoing preliminary amendment into the file history of the above-identified Application being filed herewith. Early and favorable action is earnestly solicited.

Respectfully submitted,
